The Award

The scholar is expected to enrol for the intake stated on their Scholarship Offer Letter. The scholar must comply with the terms and conditions of admittance and the University's Regulations, including the Attendance Policy. Where there is a failure to comply the scholarship award may be withdrawn in whole or part.

The scholar will be expected to complete their programme of study successfully within the time frame outlined on their Scholarship Offer Letter. Scholarships do not include any other expenses, for example living and transport costs.
