Tai - tik IŠE. Su ja bet kas gali daryti ką nori, gali mušti, uždaryti spintoje, aprengti kaip nori, nurengti kada nori, gali paversti prostitute, gali išmesti kai nusibosta. Jai už tai neužmokės, ji nespriešins, neprašys pagalbos, nepabėgs.

many of the people you see everyday.**

Ask the right questions and look for clues. You are vital because you may be the only outsider with the opportunity to speak with a victim.

There are safe housing, health, immigration, food, income, employment, legal and interpretation services available to victims, but first they must be found.
